Summer Workshops

Professional, hands on filmmaking in Hollywood.

Join The Crew

Sneak On The Lot is dedicated to supporting young filmmakers and their teachers. Each summer we host a week long workshop in Los Angeles where educators and students are given a chance to work side-by-side with industry professionals to produce a short film.

Classroom Training

This experience is then taken back into their classrooms and infused into their media programs or any classroom using video production as an educational module. Sneak On The Lot also offers regional workshops throughout the year for continued support, access and training from industry professionals.
